COVID-19 RESPONSE

for LCISD office use

My child has COVID-19 or I think my child has COVID-19. What should I do?

What is your child's return-to-school date? If you do not have one, please contact your medical provider for guidance.

My child's return date is: _____.

I do not have a return date/I do not have a medical provider.

Thank you. Your child will be excused absent through the return date.

It is the parent/student's responsibility to develop a plan for missed assignments with teacher(s).

In order for your child's absences to be excused, we must have a return date for your child. You need to contact a medical provider or the City of Lubbock Health Department to get a return date for your child. Once you contact us with the return date, your child will be excused absent through that date.

- *City of Lubbock Health Department phone: (806) 775-2933*
- *Make nurse aware of positive cases and return date.*
- *If parent requests testing from the school, refer them to nurse.*

My child has been exposed to COVID-19.
What should I do?

What is your child's return-to-school date?

My child's return date is: _____.

I do not have a return date. What should I do?

Thank you. Your child will be excused absent through the return date.

It is the parent/student's responsibility to develop a plan for missed assignments with teacher(s).

You will need to contact your healthcare provider to obtain a return date; or, would you like to speak with our nurse?
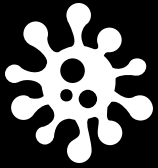

I will contact my healthcare provider.

I would like to speak with the nurse.

Please call us back with your child's return date.

Okay, I will transfer you now.

Remind parent that if they plan to keep their child home, we must have a return date in order to excuse the absences.

What are your COVID-19 protocols for the school year?

- WE FOLLOW GOVERNOR'S ORDERS.

- We are continuing our enhanced cleaning protocols.

- We will work with parents to determine the safest course of action for cases of positive or exposed students.

- We do not require the COVID-19 vaccine, but we encourage the vaccine for eligible individuals. The district will offer multiple optional vaccine clinics. It is important that our families make the decision best for them.

- Those who wish to wear face coverings are welcome to do so. (Governor's orders prevent us from requiring masks.)

PLEASE NOTE: We do NOT offer a virtual learning option this year.

INTERNAL REMINDERS

We are not medical professionals, and we cannot offer medical advice. Parents seeking medical advice should be directed to their healthcare professional or the City of Lubbock Health Department (806) 775-2933.

If a child returns to school before their scheduled return-to-school date without any notification from the parent, send the child to the nurse's office. The nurse will coordinate with attendance clerk if return-to-school date needs to be updated.
